

St Etheldreda Homework Menu

Spring 2023

English

- Read daily
- Weekly spelling activity and spellings to learn
- Weekly comprehension activity to complete

Maths

- Play Sumdog games
- Learn and practice times tables

Topic – please complete at least one task per half term.

Science - Design a balanced, nutritious meal which includes all the different food groups. You could do this by using real food and actually cooking it! Send in photos or make a movie of you preparing the food. Or you could draw and label a plate of food.

History – Write a diary entry as if you were an evacuee in World War 2.

Geography – Look through the food items in your kitchen. Look at the packets to find out where the food came from and mark these on a map of the world.

PSHE – Create a leaflet about culture or community that is different to yours. Find out how their life is the same and different to yours.

R.E. – Research Easter customs around the world. You could make a leaflet, poster or PowerPoint.
