

St Edmund's Homework Menu

Summer 2025

Maths

- Practise recall of KIRFs: all tables, square and cubed numbers up to 100
- participate in the weekly estimation station

English

- Read at least 15 min every day
- Learn weekly spellings
- Complete weekly Comprehension
- Learn lines for the play

Please complete at least one task before the end of term – we look forward to seeing your projects!

Science - many hobbies can help people in old age to keep their brains functioning well. Find out about these and perhaps teach yourself one. Find out why it is so good for your brain.

History - Ancient Civilisations (Early Islamic Civilisations) - Recreate a piece of Islamic Art that you might find on ceramics or architecture.

Geography - Rainforests - create a poster or power point about a plant or animal which you would find in the rainforest.

D&T - Bake something tasty and bring in photos or even a taster for us all (no nuts please)

ICT - Create a power point on a topic of your choice. Insert photographs and images, use different fonts, animation and sound.

PSHE - Personal Safety - Recap some of the First Aid learning we did with East Anglian Air Ambulance (EAAA) in the Autumn. What is the ABC emergency response? Can you create a poster or powerpoint presentation communicating this information to Dry Drayton Village? Make sure you include details of the location of our defibrillator ...

Art - Using any medium, draw a plant or animal which you might find in the rainforest.

RE - Create a simple and colourful stained glass window depicting one of the symbols of Judaism.
